The asbestos or fire curtain will be raised upon the entrance of the orchestra. The stage is equipped with the sprinkler system, standpipes and coils of hose, connected directly with the Holly water service. ARTHUR SIDMAN'S

**"YORK
STATE
FOLKS"**

LIKE THE
BREATH
OF NEW
MOWN HAY!

FIRST STOCK PRODUCTION IN ROCHESTER

"York State Folks", the play selected for our next production, is a play that should be especially dear to all as the scene of the play is adjacent to Rochester, and it was received with great favor upon its presentation here by Mr. Sidman. It is typical of N. Y. State life and especially of the people in the neighborhood of Rochester. You will enjoy its quaint characters, quiet humor and beautiful story. A Play that should not be missed by the Lyceum Patrons.
